

Safe Products & Service Portfolio

Vivek P Nair

Safe Software And Integrated Solutions Pvt Ltd made its initial presence 2 decades ago, when computerized banking support system was just a pipedream. Grown into an ISO 9001:2015, ISO 27001 certified company, we have been instrumental in supporting more than 850 enterprise clients around the globe. Our domain includes IT solutions, Technology products, and Business Analytics and Business Leadership programs.
